Public Comments/Statements

Richard Petersen

POB 76

Haines 99827 Phone 766-2952

Mr. Petersen reported that he has made complaints to the HPD Dispatch about dog attacks upon him over the last several years (2004 and 2007), that there has been no apparent follow up and that the police have not informed him of the disposition of his complaints. He reports that the Chambers' dog which bit him is still unleashed and has never been impounded.

Discussion: Section 8 of HPD P&P states that police should respond and impound. Mr. Petersen stated that he was told the dog was not impounded because owner was fishing.

Action: M/S/P PSC will bring this issue of apparent none action/non notification to attention of Borough Assembly.
