

**HAINES BOROUGH
CHILKAT CENTER PEDESTRIAN BRIDGE**

REQUEST FOR QUOTATIONS

The Haines Borough is soliciting quotations from a steel fabricator to provide, fabricate, galvanize and ship structural steel for the Chilkat Center Pedestrian Bridge project. Services will include providing and fabricating steel support frames, steel beams, steel floor cross-bracing, rigid roof frames, steel bar grating, plates for connecting timber cladding and railings to the structural steel, all other structural steel shown on the plans, and all associated connection bolts and plates. This request for quotations does not include concrete reinforcing, concrete, or timber shown on the plans. Fabrication shall comply with the AISC *Code of Standard Practice* latest edition and the AWS D1.1 *Structural Welding Code*, latest edition. The specifications for the structural steel are noted on Sheet 1 of 6 on the attached set of plans.

The Haines Borough anticipates the following project schedule:

REQUEST FOR QUOTATIONS

Page Two

Quotations previously sent by mail or other delivery method may be modified by facsimile provided that modifications do not state total quotation but only the amount to modify the quotation provided in the sealed envelope.

The Borough may waive any informalities or minor defects or reject any and all proposals. Any proposal may be withdrawn prior to the above scheduled time for the opening of quotations or authorized postponement thereof. Any quotation received after the time and date specified shall not be considered. No respondent may withdraw a quotation within 30 days after the actual date of the opening thereof. Should there be reasons why the contract cannot be awarded within the specified period, the time may be extended by mutual agreement between the Borough and the successful respondent.

Respondents must acknowledge the receipt of any addenda in the space provided on the Quotation Form. A quotation that contains a substantial condition or qualification will not be accepted. Award of the contract will be made to the responsive, responsible party who submits the best quotation.

Each respondent is responsible for reading and being thoroughly familiar with the Request of Quotation documents. The failure or omission of any respondent to do any of the foregoing shall in no way relieve any respondent from any obligation in respect to its quotation.
