

HAINES BOROUGH  
HAINES, ALASKA  
**PUBLIC NOTICE**

**REQUEST FOR SEALED BIDS**  
**KVFD Septic Tank Replacement**

The Haines Borough seeks sealed competitive bids from qualified, licensed business entities to replace the septic tank at the Klehini Valley Fire Department Station located on Mosquito Lake Road. The successful bidder will be required to show proof of appropriate licensing by the State of Alaska and the Haines Borough. A borough business license will be required before contract award.

**The Project Consists of the Following Work:**

Install a new 1,000 gallon septic tank behind the fire hall. The tank should be fiberglass with a baffled design. The new tank will be a replacement for the existing tank that was compromised by heavy equipment and is no longer usable. For this reason, the replacement is needed as soon as possible. The work will also include closure of the old tank. Location of the new tank will be located and marked by Borough staff before installation. After the work is completed, all areas disturbed by construction will be cleaned up and restored to a condition equal to, or better than, the pre-construction condition.

Technical questions should be directed to Director of Public Facilities, Brad Maynard at 907-766-2257 or [bmaynard@haines.ak.us](mailto:bmaynard@haines.ak.us).

The bid deadline is: **4:00 p.m., Wednesday, August 19, 2009**. Bids must be in a sealed envelope labeled "KVFD Septic Tank" and submitted via mail or hand-delivery to:

Office of the Borough Clerk  
Haines Borough  
mailed to: P.O. Box 1209, Haines, AK 99827, or  
hand-delivered to: 103 Third Ave. S.

No bids will be accepted via fax or email. The Borough reserves the right to reject any and all proposals, to waive any informalities or technicalities, and to negotiate with the low bidder.
