HAINES, ALASKA
PUBLIC NOTICE

REQUEST FOR PROPOSALS

Wood Heat Feasibility Study

The Haines Borough is requesting proposals from consultants/engineers licensed to do business in the State of Alaska to assist in the preparation of a wood heat feasibility study. Proposals shall be received no later than 2:00 p.m. Thursday, February 3, 2012 at the Haines Borough Administrative Offices in Haines, AK. Email proposals are acceptable if the original documents are received by the Borough Clerk by February 10, 2012. In general, the scope of work includes a current resource assessment for finished wood pellets, an energy and 20 year life cycle cost analysis—including all capital, maintenance, and construction costs—to heat the following buildings: Haines Borough School, Borough Administration building, Borough Public Library, and Vocational Education Building, and provide an executive summary on the feasibility of using wood pellets to heat the following borough facilities: Sewage Treatment Plant and Chilkat Center. The expected project completion date is June 15, 2012.

**An RFP packet is available from the
Borough Clerk's Office:**

Attn: Jamie Heinz, Deputy Clerk
